EGA PHILOSOPHY

We at Evolution Gymnastics Academy are dedicated to providing the highest standards of gymnastics instruction in the Tidewater area. We are equally dedicated to the philosophy that each child who becomes a member of the EGA“FAMILY” is an individual with individual needs. Each member of the EGA family is special to us whether the child is at the beginning stages of gymnastics or at the highest level, we are committed to their needs.

At Evolution Gymnastics Academy we feel that a foundation in the sport of gymnastics increases your child’s flexibility, strength, coordination, confidence, and will help them excel in any sport they may pursue. **SAFETY IS OF THE UTMOST IMPORTANCE!!** We provide a safe and healthy training environment, progressively taught by qualified instructors in a positive atmosphere. Our program is structured to provide challenging and rewarding training at all levels with a solid foundation of essential basics for the proper development of gymnastics.
